

# **Speed Dating**

## **Intention:**

The intention of Speed Dating is a fun, fast, safe and comfortable way for single professionals to meet one another, live and in person for dating, friendship or business. No uncomfortable rejection.

The idea is that the chemistry between two people occurs within the first few minutes of meeting. With Speed Dating, you can quickly determine who you would truly like to hear from again.

Most of the people that use this service are actually very confident and attractive. They're people like you and me who simply lack the time and resources to meet other people.

**Everyone must pre-register so that the same number of men and women will be participating.**

## **How it works:**

When you arrive, you will be given a flirt card. That card will have everyone's name on it. Each date will last eight minutes. The men will move from table to table until everyone has had a chance to meet. Once each date is over, you will discreetly mark next to the person's name yes or no. This will indicate if you want to meet with them again or not. At the end of the event, you will hand your flirt card into the host to compare possible matches. If **both** parties have marked yes on their flirt card, then the host will give the contact information to both parties. This information will be shared with you within 48 hours. The couple will take it from there. **Cost is \$25.00.**

## **Rules:**

1. Please do not ask for contact information or last names. (We are here to be comfortable)
2. Avoid intimate questions. (including age)
3. Keep an open mind. Everyone has something interesting to share – if you ask the right questions.
4. Have fun.....attitude is everything.

## **Suggestions:**

1. Dress to impress!!!!!!
2. Smell Good!!!!
3. Be not only interesting but interested.

### **Note from the Host**

Ages of participants tend to fall between 30 and 59 – But everyone is welcome. I try to keep groups close in age but participants need to be open to the diversity of the evening. You may meet someone a little younger or a little older but that could be an opportunity for a new friend or business connection, not to mention, maybe they know someone perfect for you. I firmly believe that everything happens for a reason, so just be open and let it happen.

Looking forward to you joining us,

*Kim (Your Host)*
